Preventative Examinations & Screening Report

Brian Rude provided current preventive care data. There is a need to increase preventative care treatment to identify medical conditions pro-actively. Brian provided a “marketing” strategy to increase awareness of preventative importance. Linda suggested a stronger push/marketing at the health fair to encourage preventative measures. Brian Rude suggested department meetings provide a brief discussion about preventative care.

Early Opening of Well-Being Programs

The Health Assessment will open early (Feb 15th, 2016) however administration will not market it until the usual May 1st – June 1st dates. Employees can log in to begin any time after February 15th and they will begin receiving email notifications similar to previous years as we approach May 1st. Upon completion of the Health Assessment, the Well-being program deadline will remain September 30th.

Health Fair

Human Resources has decided to look into providing biometric screenings for the Douglas County Health Fair. A tentative date was set for April 20th, 2016 in the government center atrium and room 270. The fair will be held from 10a.m. to 2p.m. Biometric screenings and other health information will be provided at the Douglas County Highway Department in the morning on April 20th. Potential vendors are being explored including various organizations throughout the community. The health fair will have 10 – 12 vendors and the overlying theme will be the importance of preventative care.
