Douglas County Department of Health and Human Services**
 - 715-395-1304 (for more information and/or to make a referral)
 - WI has approved CLTS Waivers for children and youth under the age of 22 with developmental disabilities, physical disabilities, and severe emotional disturbances. The purpose of the waivers is to help families support their children with severe disabilities within their own home.
 - The program offers: Information and help in finding service programs and community resources, help in linking families with other families to strengthen natural supports, limited funding to buy needed services and goods that can't be bought through other sources.

- **Human Development Center**
 - 715-392-8216
 - 1500 N 34th St. Superior
 - www.humandevelopmentcenter.org
 - Offer therapy for children and families with a focus on child mental health, development, and attachment.

- **Katie Beckett Program**
 - 715-682-7171 Ext. 43
 - www.dhs.wisconsin.gov/kbp
 - The Katie Beckett Program that allows certain children with long-term disabilities, mental illness, or complex medical needs, living at home with their families, to obtain a Wisconsin Forward Health Medicaid card.
 - Children who are not eligible for other Medicaid programs because the income or assets of their parents are too high may be eligible for Medicaid through the Katie Beckett Program. A child may be eligible for this source of Medicaid even if they are currently covered under a private health insurance policy.

- **Parent to Parent of Wisconsin**
 - 888-266-0028
 - www.p2pwi.org
 - Offers parents and caregivers the opportunity to connect one-to-one with a parent of a child with similar special needs. Parents then share resources, information and support.

- **Wisconsin FACETS (Family Assistance Center for Education, Training, and Support)**
 - 877-374-0511
 - www.wifacets.org
 - Provides and broadens opportunities that enhance the quality of life for children and adults with disabilities and their families, with emphasis on support for underserved families in the community.

- **Wisconsin First Step**
 - 800-642-7837
 - www.mch-hotlines.org
 - An information and referral service to assist Wisconsin families and providers working with children and youth with special needs.

- **Wisconsin Sound Beginnings: Early Hearing Detection and Intervention Program**
 - 608-267-9191
