PROCEDURE FOR SALE OF TAX DEEDED LANDS

The following procedure applies to the sale of tax deeded lands and conforms with Sections 75.35 and 75.69 of the Wisconsin Statutes:

1. A request for bid of a piece of land is made to the County Clerk's Office.
2. A Bid Application Form for Douglas County Land (Form #9-1) is completed by County Clerk staff. This form is sent to the supervisor of the district in which the property is located for comments. A copy is sent to the City Planner (if located in the City of Superior); Municipal Chair/President (if located in a town or village); County Zoning Department; County Highway Department; County Forestry Department (depending on location); and ~~Superior-Douglas County~~ The Development Association.
3. The Land and Development Committee receives a copy of the bid application form (#9-1) with their meeting agendas. At the next meeting, the committee will decide whether to approve the property for sale and set a minimum bid amount, or to hold the property from sale.
4. After the committee has set a minimum bid amount, the County Clerk's Office sends a bid form to the individual requesting said property. Bid forms are also sent to adjacent property owners, if:
 - (a) The adjacent property touches the subject property, either by being alongside the property or diagonal to it;
 - (b) The adjacent property is separated by an alley, whether physically built or not; or
 - (c) The adjacent property is separated by a platted street, which has not been physically built,

and are available for others in the County Clerk's Office. Property is advertised by publication of a Class 3 notice; sealed bids are accepted and opened ~~at the following Land and Development Committee meeting as indicated on the legal notice.~~

5. The committee reviews the bids, rejects any bids that are less than the minimum bid amount, and may accept the bid most advantageous to the county or reject any or all bids, based on the following criteria:**set forth in 10(c) below.**

- (a) ~~Dollar value;~~
- (b) ~~Prospective use of property;~~
- (c) ~~Prior ownership;~~

- ~~(f) — Build ability under present zoning codes;~~
- ~~(g) — Access; and~~
- ~~(h) — Any other criteria the Land and Development Committee wishes to consider to evaluate any bid.~~

In the event the committee does not meet on a scheduled date for land bid openings, the County Clerk is authorized to open bids received and refer all high bids to the County Board for approval.

6. Notice of the pending sale is mailed to the clerk of the municipality in which the real estate is located at least three weeks prior to the time of sale.
7. A resolution is presented to the Bboard approving the sale.
8. A Quit Claim Deed is made out to the successful bidder.
9. Those properties that have been previously advertised for sale may be sold according to the following procedure:
 - (a) Property is advertised for sale by publication of a Class 1 notice;
 - (b) Adjacent property owner(s) (as defined in 4 above) is(are) notified;
 - (c) The Land and Development Committee reviews the bids, may reject any or all bids, or may accept a bid that is less than the minimum bid amount but, cannot accept a bid that is less than the highest bid, unless the committee outlines in the resolution the reasons for accepting a bid that is less than the highest bid. As a general practice, the committee will not consider a bid that is less than 75% of the minimum bid amount. However, the committee reserves the right to accept any bid if the proposed use and/or development of the property is deemed desirable and advantageous to the county;
 - (d) Those properties not sold after the Class I bid opening will remain available for purchase by bid, with any bids received referred to the Land and Development Committee, ~~in accordance with the process set out in (b) above.~~
