Started: 3:00pm

Katie Sickmann, St. Croix River Association (SCRA) Invasive Species Coordinator, provided an overview of SCRA and invasive species projects in Douglas County. Some projects include monitoring for invasive species on the upper St. Croix River and managing yellow flag iris. Zach Stewart, Douglas County Aquatic Invasive Species (AIS) Coordinator provided a brief review of the past two AIS Strategic Plan Workgroup meetings. This was followed by review and discussion of comments regarding revisions to the AIS Strategic Plan.

A motion was made by Ashley Vande Voort to approve the Aquatic Invasive Species Strategic Plan with revisions recommended during and prior to this meeting, and to request approval of this plan from the Land Conservation Committee. Motion seconded by Sue Hendrickson. Motion passed.

Adjourn: 4:55pm
