

# Together We Can..

## Create a Dementia Friendly Community

### ***DEMENTIA FRIENDLY BUSINESS TRAINING***

*Provided by the Douglas County Caregiver Coalition*

**For staff of businesses, service organizations and other community groups.**

### **Training Objectives**

- Understand what dementia is
  - Recognize the signs
  - Learn strategies to communicate
- Learn about community resources

*By participating in this short, free training, you are creating a community where individuals living with dementia and their caregivers are met with understanding and given support.*

Visit the Dementia Friendly Superior Facebook page to see our trained partners!

**LEARN MORE**

**To learn more and/or schedule a free training contact:**

Aging & Disability Resource Center  
of Douglas County  
715-395-1234  
or

**WE ARE DEMENTIA AWARE  
RAISING AWARENESS**

The mission of the Douglas County Caregiver Coalition is to recognize all caregivers of older adults and empower them through support, education, advocacy, and awareness of community services.
