

## WHO CAN ATTEND?

- Students entering grades 9, 10, 11 or 12 in the 2020-2021 school year (must be 17 or under).
- Students interested in natural resources.
- Students who just like being outdoors!

## HIGHLIGHTS

- Lake Research
- Forest and wildlife biology
- Nature hikes and canoeing
- Team-building exercises
- Exposure to careers in natural resources
- Fishing, crafts, and lots of fun!

Make new friends! Camp gives you the chance to meet new people. Meet counselors who work in conservation and meet other campers from around the state.

Camp will challenge you - conservation problem-solving, a wilderness canoe trip, wildlife ecology & more!

# North Lakeland Discovery Center

## NORTH LAKELAND DISCOVERY CENTER

The North Lakeland Discovery Center is a place where people come to connect to the natural world. The beautifully remote location in the Wisconsin Northwoods is surrounded by water and forests, and yet accessible to all visitors. Whether you have vast experience in the outdoors or are new to exploring, they have a program for your interests and skill levels.

For more information, visit:
